LIVING
RESOURCES

A Message from the Chief Executive Officer

Last week, we held our 10th Annual Golf Tournament where funds raised from the event help support our many programs here at Living Resources. While I was playing, I began thinking about how life can be compared to the game of golf. Golf is a humbling sport. One hit can be amazing and the next places you squarely in a sand trap. The thing about golf, like in life, you must embrace the failure and move forward. In life, our decisions or circumstances can sometimes place us firmly in the sand, but you can't give up. Giving up means you don't win. At Living Resources, we encourage our staff and the individuals we serve to continue to swing until they are out of the sand and back in the game of living their best life. Play on and never forget we are here to support you!

Living Resources Loves Llamas

We were honored to have our Albany Day Community Program volunteers featured on Dakota Ridge Farm's episode of FarmHer which aired on September 20th.

Check out this awesome clip of our individuals engaging with with llamas!! <https://youtu.be/rqxiFedjH8I>

Flying High at Lake George

Sometimes the best days happen spontaneously. Karly let her Community Habilitation staff, Alexxis know that she wanted to go on a parasailing adventure in Lake George, and a few days later they were airborne! Karly said it was the "best day ever" and is already planning another adventure!

Thank You!

Each year, our Annual Golf Tournament draws awareness to our College programs and provides much needed funding for many of our programs and services. While it is our hope that our attendees enjoy a wonderful round of golf and learn more about our programs and our students, it would not be possible to hold this event without the support of our sponsors. Our sponsors are truly what makes it possible for us to continue to provide the best care, programs, and services to all those we serve.

Please take a moment to view our sponsors below and remember them as you do your business in the community. They are true super heroes to us at Living Resources. Special thanks to Marshall & Sterling for continuing their commitment as our Title Sponsor each year!

Thanks to all who sponsored our

10th Annual Golf Tournament

Thank you to everyone who supported us and helped make our 10th Annual Golf Tournament such a success.

A special thanks to Michael Stygles, our Golf Tournament Chair, Scott Joralemon, our Event Chair, and the entire Golf Committee; Peter Cornell, Thomas Gessick, Aaron Lieberman, Gary McCann, Korey McGuiness, Michael Quaranta, Daniel Round, Michael Salmon, Shawn Viana, John Walsh, Lindsay Willis, and Matthew Young.

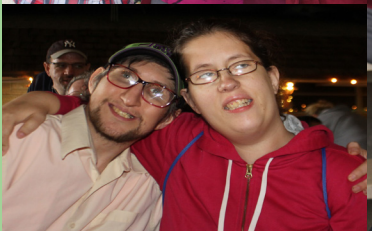

Program Participant Picnic

The annual picnic for our incredible participants is a long awaited day for participants and staff alike. It is a rocking event filled with food, friendship, music, and dance. Although the day was cool and rainy, we were warm and dry in the beautiful pavillion at Birch Hill in Castleton On-Hudson.

Faculty Spotlight:

DSP Appreciation Week–September 8–14

Each month we focus on a faculty spotlight but this month we want to say thank you to each and every one of our Direct Support Professionals. They are the life-blood of Living Resources and they work tirelessly providing the care for your loved ones. They support the dreams, visions, goals, and ambitions of those we serve, making a difference every day in the lives of others.

In response to our annual survey, many of our staff members were acknowledged for their excellent work with the families and consumers. We could not be more proud of our Direct Support Professionals and they work they do each day.
