Subject: Business Update from CEO Elizabeth Martin

Please [click here](#) or below to hear from our CEO Elizabeth Martin as she shares a business update and how to properly wear your mask!

A quick reminder that it is vital to continue to follow pandemic protocols:

- **Wear your mask (covering both your mouth & nose)**
- **Wash your hands frequently (for 20 seconds or more)**
- **Use hand sanitizer when hand washing is not possible**
- **Maintain a clean environment by disinfecting frequently touched objects (faucets/door knobs/light switches, etc.)**
- **Social distance as much as possible**
- **Get your flu shot**

It is up to all of us to do our part to keep everyone safe.

Together, we are stronger than COVID-19.
